Seek Him (from Amos 5)

REFRAIN

```
        C                       G                  F   G
Seek him who makes the seven stars and Orion,
        C                       F       C        D    F
and turns the shadow of death into the morning,
 C                  F
He makes the day dark,
       C                              F
He calls for the waters of the sea,
        C                           F  G       C
and pours them upon the face of the earth.
```

Verse 1

```
  C                       F          G
Seek the Lord and you shall live,
          C               F G
Seek good, and not evil,
            C          F          G
so the Lord shall be with you,
            C     F           G
Hate the evil, love the good,
F           C  G  C
establish judgment.
```
